Prior Discipline Decisions

4. On or about December 8, 2014, the Registrar issued a Notice of Complaint against the Dealer for failure to comply with the all-in price advertising requirements.
5. On or about March 10, 2015, the Discipline Committee issued an Order against the Dealer, pursuant to a negotiated resolution of the above referenced Notice. As per condition 4 of the Order, the Dealer agreed to comply with the Act and Standards of Business Practice, as may be amended from time to time.

Current advertising non-compliance:

1. On or before April 25, 2018 the Dealer published an advertisement for a 2017 Jeep Compass Trailhawk (VIN: 3C4NJDDDB5HT674312) with an advertised price of \$27,988.
2. On or about April 25, 2018 OMVIC representatives visited the Dealer and made inquiries about the above referenced vehicle while posing as members of the public. Minhas on behalf of the Dealer advised the OMVIC representatives that only taxes and licencing were additional.
3. The OMVIC representatives then asked if there were additional "admin fees" and Minhas on behalf of the Dealer stated there were "approximately \$800-\$900" in additional non-negotiable fees. As such, the Dealer's advertised price was not all inclusive. This is contrary to section 36(7) of Regulation 333/08, as well as sections 4 and 9 of the Code of Ethics.
4. Moreover Minhas' reference to the additional fees contradicted his earlier statement that only taxes and licencing would be added to the price. This is contrary to sections 4 and 9 of the Code of Ethics.
5. Furthermore, when the representative requested a written breakdown of the vehicle price, Minhas on behalf of the Dealer stated that was not possible without a obtaining a credit card from the representative. Minhas' conduct was unprofessional, contrary to Section 9 of the Code of Ethics
6. The Dealer has failed to ensure its registered salesperson carried out his duties in compliance with the Act and Code of Ethics. This is contrary to 6 and 9 of the Code of Ethics.
7. As Persons in Charge of the Dealer, G. Nimeck, and R. Nimeck failed to ensure the Dealer's advertising, as well as its registered employees, comply with the Act and Code of Ethics. As such, they have contravened sections 4, 6, and 9 of the Code of Ethics.
8. In causing the Dealer to contravene the advertising regulations and/or Code of Ethics, Minhas has personally contravened sections 6 and 9 of the Code of Ethics.
9. The subject vehicle was subsequently wholesaled for less than the advertised price.

Registrant's Initials

10. Since the issuance of the Notice of Complaint the Dealer has taken steps to ensure all sales staff understands their obligations with respect to all-in pricing regulations.

By failing to comply with the following:

Regulation 333/08

36. Advertising:

- (7) If an advertisement indicates the price of a motor vehicle, the price shall be set out in a clear, comprehensible and prominent manner and shall be set out as the total of,
 - (a) the amount that a buyer would be required to pay for the vehicle; and
 - (b) subject to subsections (9) and (10), all other charges related to the trade in the vehicle, including, if any, charges for freight, charges for inspection before delivery of the vehicle, fees, levies and taxes.

It is thereby agreed that the Dealer, G. Nimeck, and R. Nimeck in their capacity as Persons in Charge of the Dealer, have breached the following sections of the Code of Ethics, as set out in Regulation 332/08:

4. A registrant shall be clear and truthful in describing the features, benefits and prices connected with the motor vehicles in which the registrant trades and in explaining the products, services, programs and prices connected with those vehicles.
- 6 (1) A registered motor vehicle dealer shall ensure that every registered salesperson that the dealer employs or retains to act as a salesperson carries out his or her duties in compliance with this Regulation.
9. In carrying on business, a registrant shall not engage in any act or omission that, having regard to all of the circumstances, would reasonably be regarded as disgraceful, dishonourable, unprofessional or unbecoming of a registrant.

Moreover, in causing the Dealer to contravene the advertising regulations and/or Code of Ethics, Minhas has personally contravened the following sections of the Code of Ethics, as set out in Regulation 332/08:

4. A registrant shall be clear and truthful in describing the features, benefits and prices connected with the motor vehicles in which the registrant trades and in explaining the products, services, programs and prices connected with those vehicles.
- 6 (2) A registered salesperson shall not do or omit to do anything that causes the registered motor vehicle dealer who employs or retains the salesperson to contravene this Regulation or any applicable law with respect to trading in motor vehicles.
